MEMORANDUM FOR: Chief, Physical Security Division
ATTENTION: Chief, Domestic Security Branch
FROM: [REDACTED]
Chief, Special Security Center
SUBJECT: Request for Survey
House Appropriations Committee (HAC)
Room 144, House Side
U.S. Capitol Building

STAT

1. [REDACTED] of OLC has advised that Mr. Charles W. Snodgrass, Staff Chief of the Defense Subcommittee, HAC, wishes codeword documents be delivered directly to him in Room 144, House Side of the U.S. Capitol Building. He prefers this arrangement rather than the currently approved system whereby codeword documents addressed to him are delivered to the House Permanent Select Committee on Intelligence (HPSCI) accredited center in Room H405 in the dome of the Capitol Building. According to [REDACTED] Mr. Snodgrass has promised to store the codeword documents after close of business in Room H401 in the dome of the Capitol. This is a HPSCI accredited facility which HPSCI has recently turned over to HAC control for temporary storage of codeword documents.

STAT

2. A survey of Room 144 is therefore requested to ascertain its suitability to serve as a receipt point only for codeword documents addressed to Mr. Snodgrass of HAC.
